Emerging Drug Trends at the Border

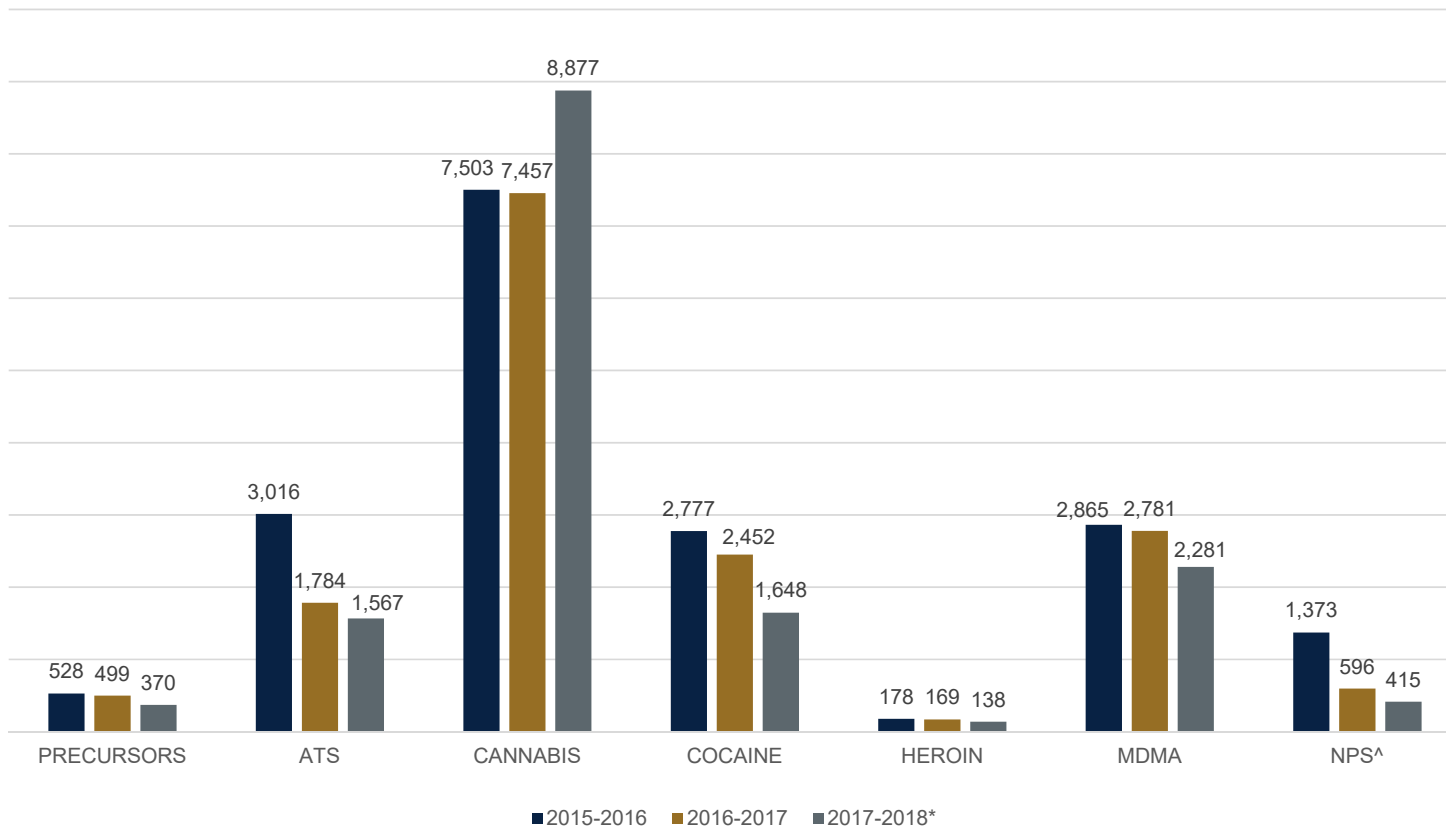

Presented by Sharon Huey, Assistant Commissioner Enforcement Command
Australian Border Force

Strategic Drivers

- High Profit
- Availability
- *Technology-enabled illicit trade*

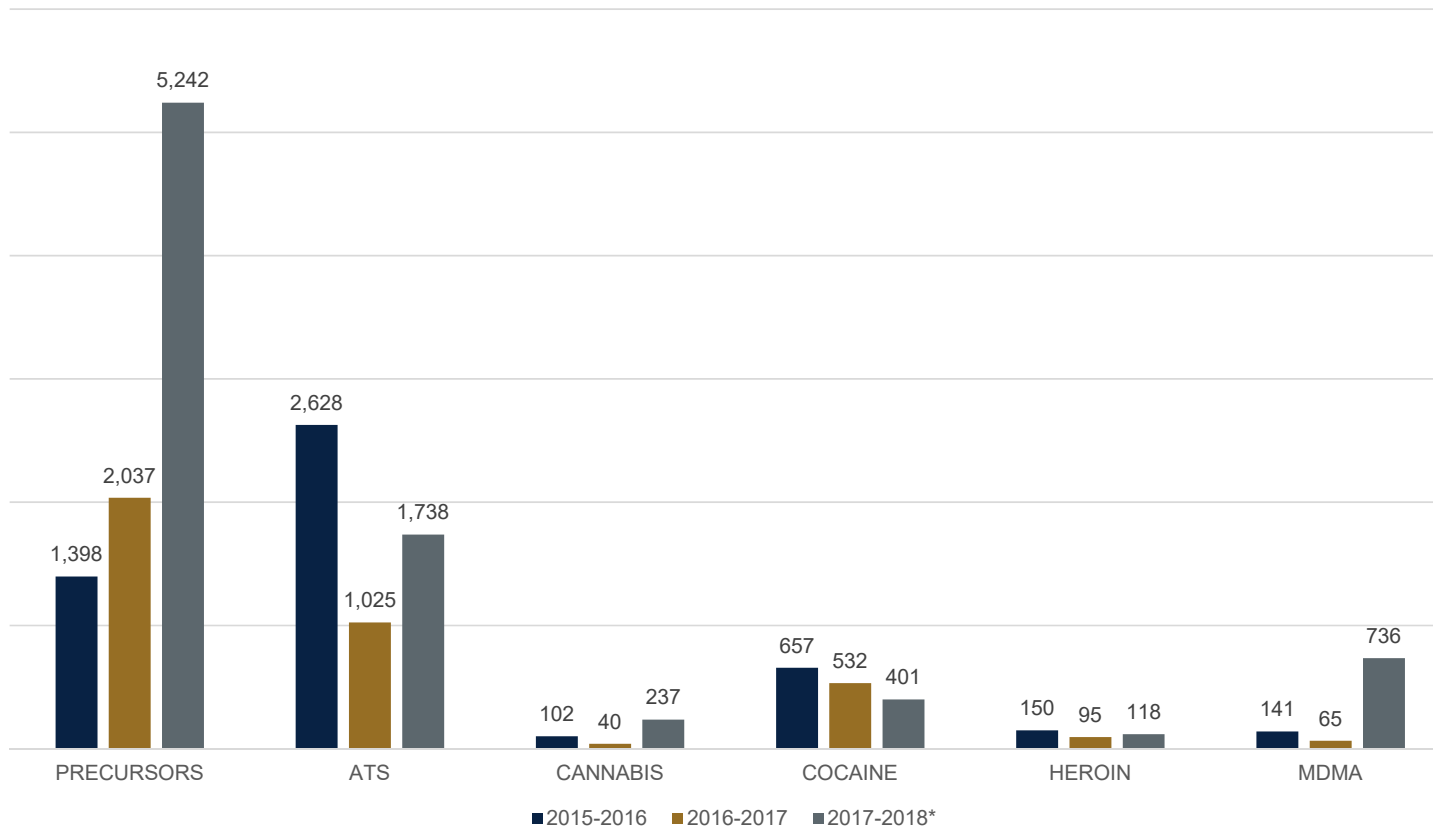

Number of Detections

*As at 28 February 2018

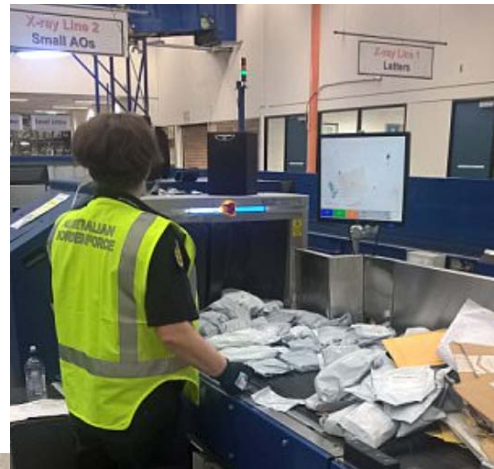

^NPS consolidates numerous prohibited substances that are unable to be compared due to the differing weights of the substances. Therefore, weight of detections is unable to be calculated.

Weight of Detections (KG)

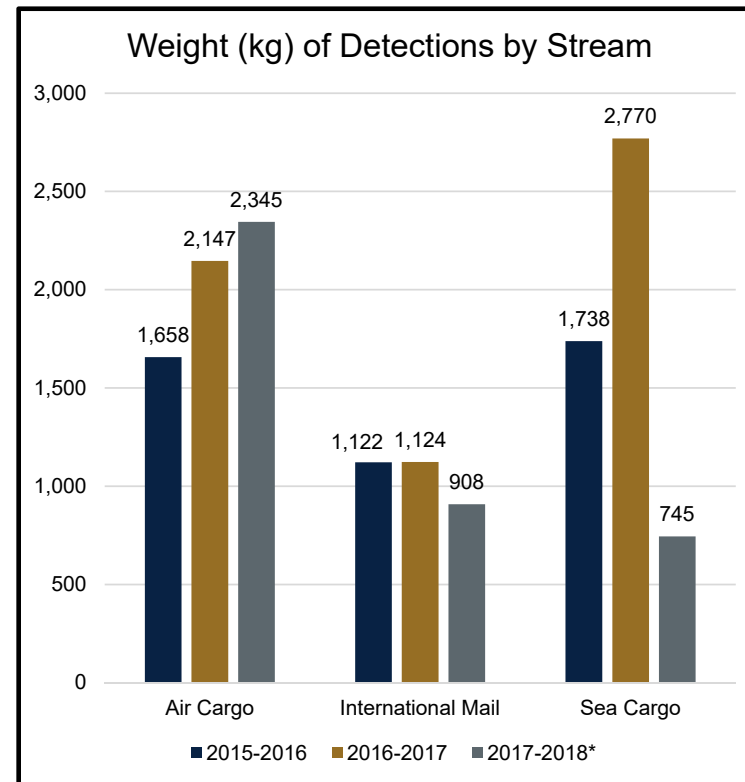

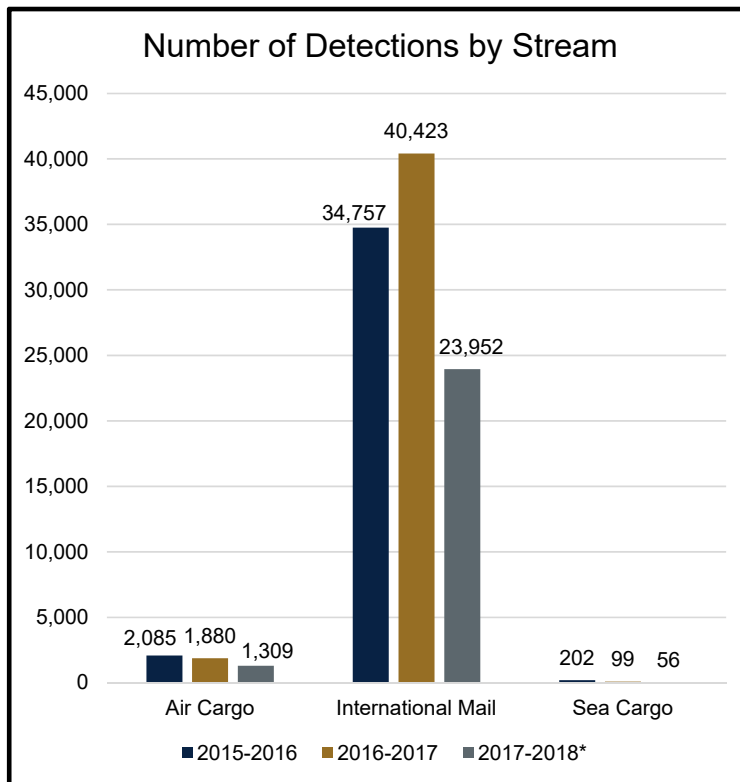

*As at 28 February 2018

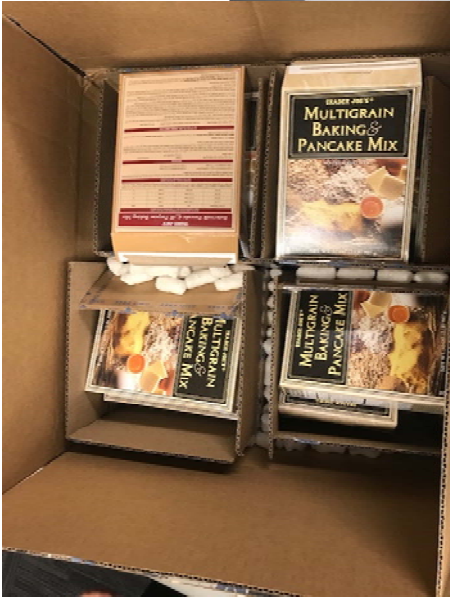

Importation Methods

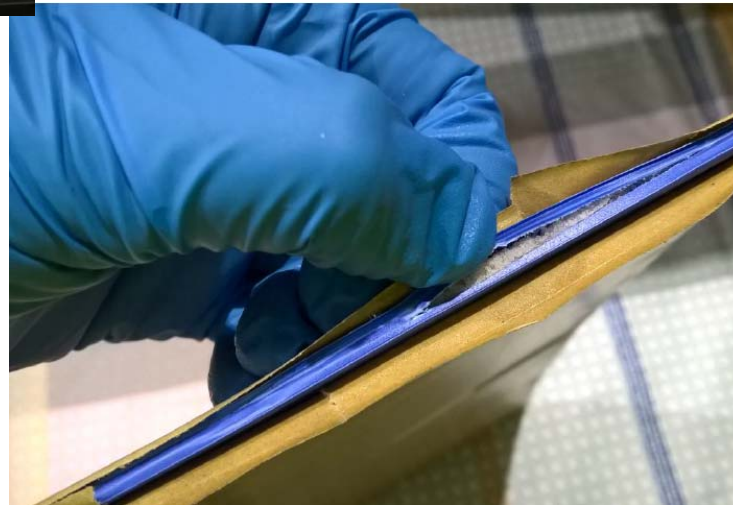

Detection Numbers vs. Weight by Stream

*As at 28 February 2018
