

ANZPAA

Australia New Zealand
Policing Advisory Agency

Our Purpose:

We position policing for the future

Our Vision:

The leading advisor on current and emerging policing priorities

Strategy 2020-25

Our Strategic Priorities

Addressing Risk

We provide balanced and impartial advice on current and emerging priorities, identify and respond to risks and opportunities, and support policing to solve complex problems and create preferred futures

Enhancing Practice

We promote consistent good practice and explore ways to optimise resources in a cost effective and sustainable way

Shaping Stronger Connections

We enable and proactively partner with policing and key stakeholders to generate and share innovative ideas, enhancing outcomes for policing and communities

Our Goals

Increased focus on proactive identification of issues and timely advice on solutions to mitigate and reduce risk

ANZPAA is a core and trusted partner in strategic planning processes across policing

Greater emphasis on improved and consistent practice and identifying resource efficiencies, cost effectiveness and smarter outcomes for policing

ANZPAA products are embedded and implemented within jurisdictions

Stronger strategic relationships with stakeholders, both domestically and internationally

Embedding awareness and recognition of ANZPAA and our role as a foresight and innovation partner

We deliver:

Annual Police Conferences

Collaborative procurement

Cross-jurisdictional strategy and capability development

Cross-jurisdictional policy instruments, education and training products and workshops

Engagement across policing, industry and forensic services

Environment Scanning and Foresight

Promote quality and consistency of practice

Research and information co-ordination for policing and forensic services
