

Form 4: Application for Five-Yearly Recertification

All examiners certified with AFSAB must undergo an annual recertification. This recertification requires the examiner to be current in the discipline and to have met their jurisdiction's proficiency testing requirements for that year.

Every five years, examiners are required to undergo a more rigorous assessment. In addition to the normal annual requirements, the examiner must demonstrate currency and professional development in the discipline by accumulating 100 points of professional development as outlined in this form.

* Please include copies of proficiency test results if an internal proficiency test has been completed.

Part 3: Discipline Proficiency Indicators

In order to meet the professional development requirement of the five-yearly recertification, the candidate must demonstrate their commitment to ongoing development by achieving a minimum of 100 points in this section. Points can be claimed from performing day to day operational duties and through professional development. Candidates must obtain a minimum of 30 points from each of the two sections (A) and (B) below with the additional 40 points coming from either of the sections. Core day to day discipline duties and professional development shall have been completed in the five years immediately prior to the due date of this recertification.

Candidates are only required to complete details in the development record below. Supporting documentation does not need to be submitted with this form. The candidate's supervisor and organisational head must endorse that the information is true and correct and recommend the candidate for recertification.

Candidates, supervisors and the organisational heads must be aware that AFSAB may, at any time, audit the development of the officer claimed below by calling for supporting documentation to be **submitted by the individual/jurisdiction**.
