### Governance

### Purpose

The purpose of the ANZPAA NIFS Groups is to provide discipline-specific technical advice and opportunities for capability development to inform strategic policy and decision-makers through:

- identifying and addressing critical issues
- forecasting emerging challenges
- informing best practice
- identifying opportunities to collaborate and leverage resources, between agencies and disciplines

For more information, please refer to the [ANZPAA NIFS Groups Terms of Reference](#) on the ANZPAA NIFS website.

### Virtual Meetings

All meetings of the ANZPAA NIFS Groups are to be agenda-led. Group Chairs are required to develop the agenda in consultation with their ANZFEC Mentor.

As a result of the current COVID-19 environment and associated interstate travel restrictions, all ANZPAA NIFS Group meetings will be virtual in 2021 (unless otherwise advised by ANZPAA NIFS).

Please contact your ANZPAA NIFS representative if you would like to book the ANZPAA NIFS Microsoft Teams, Webex or teleconference systems.
